BREAKDOWN OF SERVICES

- **Project Facilitation**

Whatever your budget, we aim to work closely with you from concept, pre-production, production, post-production to delivery in bringing your project to fruition.

- **Co-Productions**

For overseas production companies, wishing to undertake a project in the UK, Intense Productions can act as the UK Co-Producer, facilitating all elements of your production.

We also welcome collaborations from other production companies in the UK.

- **Project Development and Consultation**

Intense Productions offer a consultation service for independent writers, directors and producers working closely with you, developing your project and getting it ready for the market place.

Intense Productions can also consult and advise on each stage of production.

- **Script Writing Service**

Our experienced team of writers can be commissioned to undertake scripts for short films, feature films, documentaries, music videos and corporate and commercial projects.

- **Script Appraisal and Feedback Service**

Intense Productions offer a competitive and professional script service. We will provide notes on story, structure and pace, characters and journeys, outlining the strengths and weaknesses within the script and most importantly, we will recommend ways in which we feel you can improve your script.

- **Scheduling and Budgeting**

Knowing how long it will take to shoot your project and how much it will cost is essential. Intense Productions can offer both scheduling and budgeting services for your productions.

- **Casting and Crewing**

With links to casting directors and agents, we can assist you in ensuring that you cast the right actor for your project.

We have a large database of freelance personnel, both up and coming and established talent, which we can access to accommodate your needs. From directors, production managers, directors of photography, production designers, hair & make-up, costume designers, sound recordists/ mixers, editors, composers and production assistants, we can source the best crew to suit your production.

- **Marketing, Publicity, Electronic Press Kits**

Marketing and publicity is integral to any production and is often under utilized. Intense Productions can assist you in developing and creating a marketing strategy specific to your project to create maximum exposure.

Intense Productions also undertake Electronic Press Kits, a key promotional tool.

- **Workshops and Training Schemes**

Intense Productions offer intensive workshops and training schemes for film productions covering script writing, directing, producing, distribution and marketing.
